### **Boat Canvas Repair Workshop**

8 hours

CDN\$100/person or \$150/couple

An informal 8 hr workshop designed to discuss repairs to your existing boat canvas and cushions using a simple heavy-duty sewing machine.

The workshop will cover:

- measuring for boat canvas,
- fabrics,
- materials,
- thread
- hardware,
- repairs to stitching,
- sewing on patches for small holes and rips,
- adding or replacing chafe patches,
- replacing hardware, and more.

We will discuss your personal canvas repair needs and will have hand powered sewing machines available. Please also bring your Ditty Bag. We will be discussing the tools and hardware you will need in order to complete the basic repairs we will be discussing.
